Serbia	00108662	The village women of Zlatibor, Moravica and Raska districts are the strength of the community	Women's Centre Uzice	1 Sep 2018	29 Feb 2020		Project proposal is made according to the suggested measures of 2.5.2. NAP related to the support to the rural women for the development of entrepreneurial initiatives in agriculture and outside of the agriculture. Essentially, it includes three levels of acting: the actual support for women to start or develop their entrepreneurial initiatives through trainings and subgrants, as well as educations on the importance of their associating and joint action in the community; second level of acting includes creation of the incentive measures in accordance with the specific needs of targeted areas and the third level includes acting on a wider community with the aim of supporting and understanding the needs of rural women. Through synergy of the three levels of acting we enable the comprehensive support to rural women and their influence to the development of their community. Project will be realized in the area of Zlatibor, Morava and Raska districts, with which the region of the entire Southwestern Serbia will be covered. Beside the Women's	4,694,300.00 RSD

							centre Uzice as an applicant, the project will be implemented in partnership with NGO “Fenomena” from Kraljevo, and the cooperative organizations “Zlatibor circle” from Cajetina and “Ecologic society Dragacevo” from Guca. ef description of Project	
Serbia	00108662	Media in the function of encouraging women's entrepreneurship	Women's Forum Prijepolje	1 Sep 2018	31 Aug 2019		Women in urban and especially rural areas do not have enough information about their possibilities, about entrepreneurship, market, presentation of their products, opportunities for association... The aim of the project is to inform/acquaint women in rural and urban environments with all the possibilities of female entrepreneurship through the media and to approach the training with the idea of entrepreneurship, educate them and empower them to decide on starting their own business. Through media content - TV spots, TV shows, video reports and texts, we will promote good practices from villages and towns of Southwestern Serbia (successful female entrepreneurs), as well as the necessary steps and everything that would be of benefit to women, future entrepreneurs.	3,530,000.00 RSD
